Closing Summary

Ms. Jessica Danielle Hill acted against me next to both Kimberly Jenkins and Kimberly Jenkins husband who my sister, Melinda Webb, had restraining order(s) against. I confronted Ms. Hill numerous times to committing conspiracy against me in which Ms. Hill was encouraged to continue conspiracy against me and my son after knowing I'm documented domestic violence victim. Ms. Hill accepted her new friends who used her and encouraged Ms. Hill to obstruct justice against me. Ms. Hill gifted me a laptop and told me to delete everything her son previously downloaded. Ms. Hill aggressively lied to collect the laptop during August and September of 2022 in which Ms. Hill ordered the laptops destruction tampering with evidence, deleting 2021 timeline of evidence, related to 12yr child kidnapped per fact, and 75yr old Judge entrapped in efforts to steal his Judges Robe during 2021 and 2022 election. Ms. Hill has no remorse and knew destroying the laptop was illegal in which Ms. Hill ordered or manipulated my sister into destroying the laptop holding 2021 timeline and other legal documents. Ms. Hill and her co-workers that include Kimberly Jenkins have absolutely no authority over me. I helped Ms. Hill and her son's with their homes through volunteer and demanded skilled labor.

On May 22, 2024 I reported Ms. Hill to Rhea County, TN Sheriff's Dept., requesting police report. I reported Ms. Hill after Ms. Hill stalked me, attempted to harass and intimidate me, and ordered destruction of laptop gifted to me by Ms. Hill. During August, 2022 Ms. Hill sent me video of herself admitted to knowing my evidence was obstructed. Ms. Hill made numerous attempts to collect laptop from me during August and September of 2022. After Ms. Hill gifted me the laptop Ms. Hill told me to delete all her son previously downloaded in which I accepted the gifted laptop during late 2021 or early 2022. Ms. Hill lied through text messages and made it appear that Ms. Hill still owned the laptop. Digitally stored timeline and evidence was stored on laptop. Ms. Hill demanded and then ordered the laptops destruction through my sister Melinda Webb. Kimberly Jenkins encouraged Ms. Hill to have my sister destroy the laptop to prevent consequences against Ms. Hill and Kimberly Jenkins who had restraining order Granted against her by my sister, Melinda Webb, of Rhea County, TN. On May 22, 2024 Detective Cooper at Crossville, TN police dept. responded to police report I requested from Rhea County, TN Sheriff's Dept. I was denied police report against Jessica Hill of Spring City, TN by Detective Cooper who overstepped his jurisdiction.

Jessica Danielle Hill acted to obstruct justice against me through the Rhea County, TN Sheriffs Dept., and the Crossville, TN police dept. Ms. Hill obstructed and conspired against me to purposely deny my rights to the Due Process Clause and my guaranteed right to Equal Protection to the U.S. Constitution. Ms. Hill has prevented and is continuing to obstruct justice to attempt and prevent me from being credible witness. Ms. Hill has and is continuing to report against me in which Ms. Hill and her "Friends" have no authority over me and has continued to harass and attempt to intimidate me from bring this case and related case(s), "to light", that includes obstructing my evidence to purposely delete and prevent me from using. (Please see attached memorandum in Hale V. Kentucky in which Ms. Hill is purposely obstructing my equal protection and Brady V. Maryland in which Ms. Hill has purposely obstructed or help hide/destroy my evidence.)

Relief Requested: 1. Grant Temporary Restraining Order for Gregory Ryan Webb against Jessica Danielle Hill of Spring City, TN and/or extend the TRO for good reasons in the above stated.

2. Grant TRO to prevent Ms. Hill from committing any act against me to attempt or prevent me from appearing non-credible witness to this case and related case(s).

3. Any relief this Court deems appropriate related to this case and related case(s). Gregory Ryan Webb
